The present deed description calls for all of Lot 5 containing 155. ac with exceptions for 55 ac. & 13.05 ac. However, if you follow the chain back, the original deed called for all of Lot 5 containing 161.40 ac. An outsale for 5 ac. was first split off to William Korn in deed 14/450 signed 1/6/1849. This exception should appear on the present deed as it is also part of Lot 5. The acreage reflected on the current deed us believed to be fairly accurate but a survey should be done to establish the correct acreage.
