a .16 acre parcel should be admitted to the tax duplicate as it has existed since 1874 and appears on the deed to

H.W. Kendall on D.V. 132-75 and 204-788. It also appears as an exception on a deed to Henry F. & Violet I. Wolff in D.V. 191-722 and is platted in S.R. 2 - 107. The deed to Jacob Minser could not be found in the County Recorders' office, however; the survey mentions his name and a deed from him to Solomon Spring and is recorded om D.V. 37-222. Therefore, this parcel should appear under the name of H.W. Kendall on the current tax duplicate.
