						Void: balance resurveyed									
						SEE NEXT CARD									

Bogardee received this land as 2 tracts, 20 ac and 75 ac. They had the entire thing resurveyed into smaller tracts. By survey, they have 11.001 ac left in two tracts, however the written description for this ac. is not on record. So by deed they have 95.0 ac - 72.698 ac = 22.302 ac.
