## Road Discussions for Rustic Acres

Farmer Hub article June 26, 1980, Pg. 1

Council meeting/line 23, 1980

Demon & Clindy Reck asked council to decide if a road was officially open along the north side of Rustic Acres. They cited the sub-division open along the north side of Rustic Acres. They cited the sub-division open along the sub-division open as the street. Also, they said a map of 1965 and 1892 did show the street. They contended that since council accepted the sub-division plat as council meeting. but that they would look into the matter and have an answer at the next felt that if the street had not been formally vacated, it still existed that council should state that the street was closed. Council

Farmer Hub article July 17, 1980, Pg. 2 Council meeting July 14, 1980 Council want into executive session and reconvered with a decision. The council stated that the village right of way does exist.

She stated that these did not mean that the street had been dedicated the records were destroyed in a flood. Therefore, the existence of older maps within Holmes County indicating the street would be the only records available. According to the masspaper, arguments were give by both sides. Inving stating that the local county records did not go back further than 1860, and that documents prior to that were located as part of Coshocton County, however, the records were destroyed in a flood. Therefore, the existence of older maps

According to Bob Hines, he wanted council to state that the street was not open

larger there. Apart Pry had been Mayor in 1974 when the sub division was approved, when asked why he had accepted the plat, he replied that he had been told that is was no

It was pointed out that just because someone tells you that, it does not mean that it is fact.

In the massaper article for June 23, the point was brought up that the street had to be maintained to be declared open. Herm Cline stated that gravel had been put on the street and that the construction crew used the street while developing Rustic Acres.

Original plat Vol. 1 pg. 92. Part of John Ingles Second Addition. Other streets are platted on this record and are considered dedicated, therefore, this street should also be considered as such.
