Catholic Church as recorded in deed 13/143. However, It is unclear as to the existance of the cemetery which is located on the property. There is a deed to the is not an exception for this on any of the above

unmentioned exception to the church. it is possible that this tract may be subject complete chain of title could not be found, to an therefore

with descriptions, only stating that all the possessions of one were willed to the next. either as most deeds were made to the Bishop or Archbishop in their personal names; most were not recorded complete chain could not be found for the church tract
