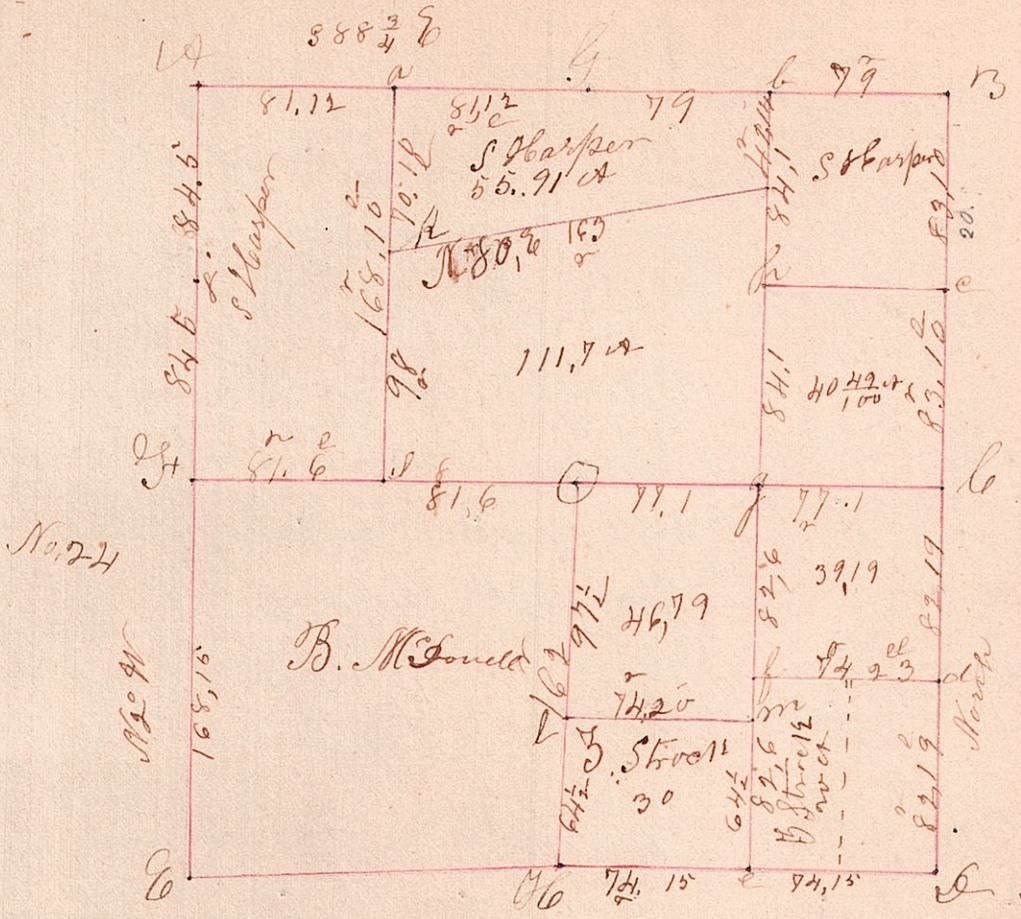
Sec 3. Tp 8, R 8. (Kilbuck) Surveyed Mar. 13. 14. 15, 1861.



The above named section was surveyed by agreement of the owners, Established C by running from b to H & from H to G. Planted Stone at all of the corners except H, and there made a cross on small rock. Found some of the witness trees of all the original corners. A. F E is not a crooked line as Silcott thought it was, but from it's south it was heavily marked. The south line of this section is crooked. the qr. corner represented by H is further north than the section corners rep:- by D & E.
