

6th Testimony of James Spurgin - Ques. Did you ever see a corner or any evidence of a corner here for the N.E. corner of Sec 13 T. 1. 8 R. 8? Ans. No I did not but I hunted for a corner and could never find anything but a chestnut tree with figures on it that appeared to have been cut with a marking iron - but I cannot recollect what the figures were, but I think one was 4 - Further the deponent saith not - Signed

James Spurgin -

Testimony for the establishment of S.W. corner of said Section 13 T. 1. 8 R. 8 By Samuel Shrimplin and James Spurgin - Ques. to Both -

Did you ever see a corner or any evidence of a corner her it being the S.W. corner of Section 13 T. 1. 8 R. 8? Ans. Yes we did frequently On being requested to point out the place they both agreed, it being 6 perches and 14 Links west of the stone corner set by the survey of Samuel Robison - and further the deponents saith not. - Signed

James Spurgin
Samuel Shrimplin
