

R. 7 Sec
986

5.

80 Acres

A is a stone
D is the N.E. corner of Sec.
c is a disputed corner.

Chain carriers,
W.A. Bell
John Cottman.

Variation 3°

A survey made for Jacob Ross to determine the corners and boundary lines of the east half of the N.E. 20 of Sec. 6 T. 8, R. 9. The above is a correct plat of said land.
May 26, 1886.

W. J. Hanna
County Surveyor.

* In some parts of this county, ~~where the land is very hilly and rough~~ an addition of 50 links was made for every 20 chains, or 1 chain for every 40 chains or 2 chains for every 80 chains or a mile, by the persons who made the original surveys. See above plat.
May 28, 1886.

W. J. Hanna
County Surveyor.
