4 A drawing of a survey made Sept 12 1957 for the owner Albert B. Mast to transfer 2.0 acres to (600.1.) 9.10 CMA! ill Stand TA William P.D. Krienbaum 1799 ... State of Ohio 89º-E 205.0 quarter line not to scale. Indicates iron corners F.D.Krichbaum W.B.Landis Surveyeddby In surveying we found that the center line of present road #39 is not where it was when the school property of 1.5 acres was originally transfer. The present center line is 32.0' north of true line at west line of original school property and 43.0 feet north of true line at east line of original school property. In surveying the new 40.0 feet we have kept the south line in same direction This makes the east new line 45.5 feet south of center of new #39 road. 2.0A EP OFFIE 89" 0.0 Property 9 0 craim'x 0 9 #35 LOY +65,0 98 PROPERTY 890 Eom 1 9.03 LNAINS (595.98') 5-89-W Brone んころ 61 PROPERTY LINE DETALL OF ROAD
