UNINCORPORATED VILLAGE OF
MT. HOPE

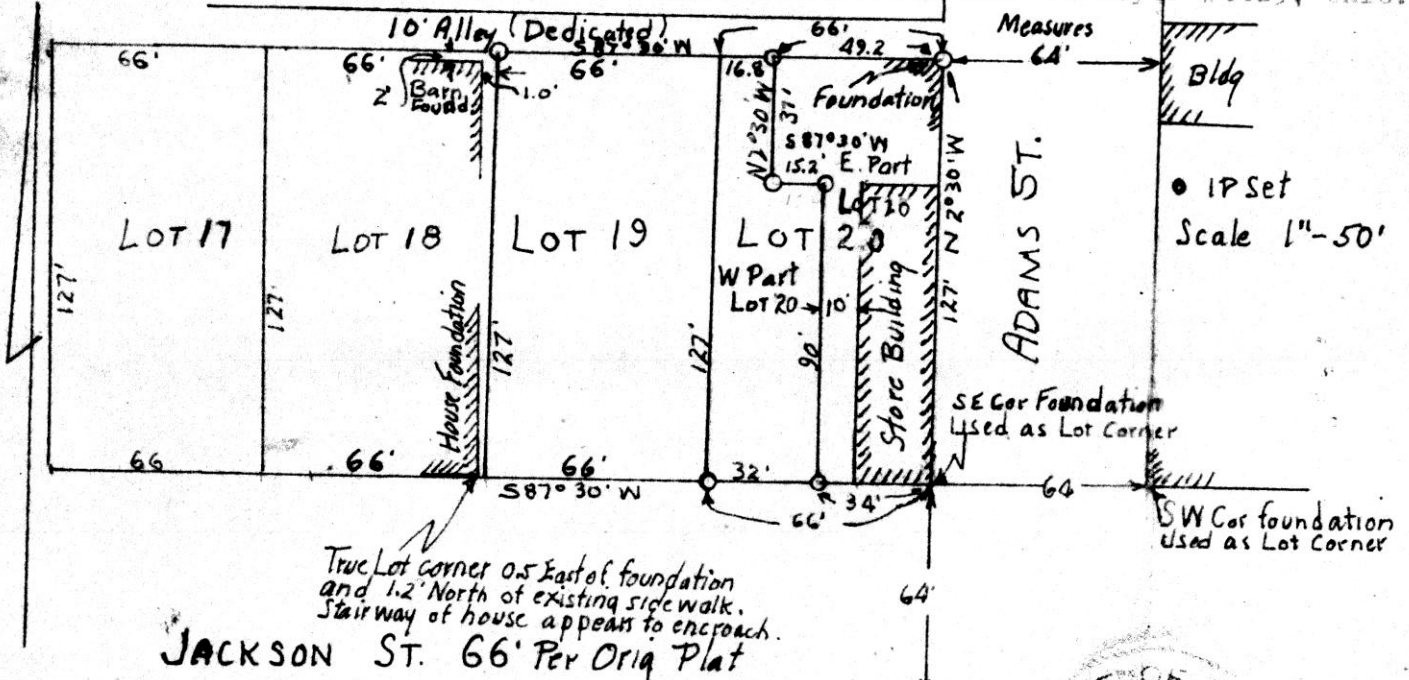

PART OF NORTHWEST FRACTIONAL SECTION 12, T-14; P-11
CONGRESS LANDS NORTH OF GREENVILLE TREATY LINE

LOTS 19 AND 20 ACCORDING TO PLAT OF MIDDLETOWN (NOW MT HOPE) AS RECORDED
IN DEED VOLUME 1, PAGE 236 in 1827.

I certify that this plat was made from field notes of a field survey
made as of June 30, 1966 to locate corners of Lots 19 and 20, and to
divide Lot 20 for owners, Donald W. and La Verne Romagner, according to
deed recorded in Deed Vol 134, page 10.

Signed: Willard Landis

Willard Landis, Registered Professional Surveyor #4425, Ohio.

MODUS OPERANDI:

Original plat shows the main streets to be 66 feet wide. Previous surveys have reported that the streets are 64 feet wide as existing. This survey was based on existing foundation walls as being on the true lot corners and Encroachment from Lot 18 is due to an addition to the original building on Lot #18; the original building appears to have been wholly on the true lot corner. This survey conforms to all other lines of occupation.
