Road station numbers and distances taken from Highway Plans,
for re-located State Route #39. Location of Old Road #39
was taken from same plans. The reconstruction of old property
lines was made from the stae highway plans.

I certify that this plat was made from field notes of a field survey made
as of January 5, 1968, to reconstruct old original property corners and
to prepare descriptions in order to transfer to adjacent property owner
various isolated irregular shaped parcels now standing in the title
of respective property owners as shown hereon.
