Oak Hill
Milledburg Cemetery No 509

This space is for
building purposes.

A survey made for the Oak Hill Cemetery association being a row of lots, the extreme north end of ground to be used for burial lots. Where this row of lots, there was a 20 foot street formerly laid out, but was by the board of cemetery trustees vacated and a 16 foot laid out on the north side of the above row of lots, and on the north side of ground to be used for a building for the cemetery sexton.

July 10th 1903.

G. W. Cary Assistant.

H. H. Robinson
County Surveyor.
